Case No. 2005-00357

Elizabeth O'Donnell  
Executive Director  
Public Service Commission of Kentucky

Frankfort, Kentucky 40602

**Re: Kentucky Utilities Company**

Dear Ms. O'Donnell:

Enclosed for filing please find the original and ten copies of the Application of Kentucky Utilities Company for an Order Authorizing the Issuance of Securities and the Assumption of Obligations. An extra copy of the Application is also enclosed to be file stamped and returned to the undersigned.

Please note that the Application requests authority with respect to an allocation under the state ceiling for private activity bonds. This will allow a portion of the cost of KU's pollution control project to be financed on a tax-exempt basis, resulting in lower costs. However, this allocation will expire on November 24, 2005. Accordingly, in order to preserve the availability of this low cost financing, KU respectfully requests that the Commission process this Application as expeditiously as possible and issue its Order in this matter by October 18, 2005.

Please do not hesitate to contact me if you have any questions or require additional information.

Very truly yours,

J. Wade Hendricks
